Profile

Kevin is a senior manager in the firm's Forensic and Valuation Services Group. He has served as an expert witness on valuation and divorce matters, providing testimony at both deposition and trial. Kevin has valued numerous businesses for the manufacturing, construction and automotive industries, as well as medical and legal practices. Kevin also provides tax and financial planning services to closely-held businesses and their owners. Kevin joined AMD in 1996, and was promoted to senior manager in 2007.
