Profile

Marcelle is an analyst in the Firm's Forensic and Valuation Services Group, specializing in valuation, litigation and audit. She provides research, analysis and reporting for litigation engagements including economic damages and lost profits, lost wages and divorce. In the area of valuation, she concentrates on ESOPS, family limited partnerships and gift and estate tax. Marcelle also works on forensic accounting projects. Originally from Louisiana, Marcelle gained experience in audit and valuation at a multi-office accounting firm there. She joined AMD in 2008.
